WAIVING POINTS OF ORDER AGAINST CONFERENCE REPORT ON H.R. 4576, DEPARTMENT OF DEFENSE APPROPRIATIONS ACT, 2001

Mrs. MYRICK. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 554 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

## H. RES. 554

*Resolved*, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 4576) making appropriations for the Department of Defense for the fiscal year ending September 30, 2001, and for other purposes. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read.

The SPEAKER pro tempore. The gentleman from North Carolina (Mrs. MYRICK) is recognized for 1 hour.

Mrs. MYRICK. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Texas (Mr. FROST), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Yesterday, the Committee on Rules met and granted a normal conference report rule for H.R. 4576, the Fiscal Year 2001 Department of Defense Appropriations Act. The rule waives all points of order against the conference report and against its consideration. The rule also provides that the conference report shall be considered as read.

Mr. Speaker, H. Res. 554 is a non-controversial rule for a strong bipartisan bill. In fact, the Committee on Appropriations approved this bill in late May by voice vote and without an amendment.

I have always admired the patriotism and dedication of our military personnel, especially given the poor qual-

ity of military life for our enlisted men and women. But today, we are doing something to improve military pay, housing and benefits.

Mr. Speaker, we are helping to take some of our enlisted men off food stamps by giving them a 3.7 percent pay raise and we are boosting their enlistment and re-enlistment bonuses. To follow through on our health care promises to our servicemen and women, we are increasing funding for the Department of Defense Health Program by \$963 million this year. A good portion of these funds will go to improving care for our military retirees who have never been given the treatment that they deserve.

At the same time, we are increasing the basic allowance for housing so that our military families do not have to pay as much out of their own pockets. Along with personnel, we have to take care of our military readiness. We live in a dangerous world and Congress is working to protect our friends and families back home from our enemies abroad.

We are providing for our national missile defense system so that we can stop a warhead from places like China or North Korea, if that day ever comes; and we are boosting the military's budget for weapons and ammunition. We are providing \$41 billion for research and development so that our forces will have top of the line equipment to do their job.

Mr. Speaker, I urge my colleagues to support this rule and to support the underlying bill because now, more than ever, we must improve our national security.

Mr. Speaker, I reserve the balance of my time.

Mr. FROST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this rule and the conference report to accompany fiscal year 2001 Department of Defense Appropriations. This important appropriations bill provides the funding for the security and defense of the United States and ensures that our military strength remain second to none. This conference agreement will provide \$288 billion for the programs of the Defense Department, and includes a 3.7 percent pay raise for our military personnel, an increase of nearly \$1 billion over fiscal year 2000 for military health care.

Mr. Speaker, this is a good bill and deserves the support of this House. This rule is the standard rule for the consideration of conference reports in the House, and it waives all points of order against the consideration of the conference report. This rule is non-controversial, and I urge Members to support it.

I also urge Members to support this conference report. The pay raise provided to our Armed Forces is of great importance, especially for younger military members with families, and for those mid-career personnel who are considering abandoning the military
